MEETEETSE LIBRARY

COFFEE TALK & OTHER PROGRAMS

The Library has fun events planned for every month! Stay tuned here for our events, check for flyers at the Post Office, watch for our Facebook posts (find Meeteetse, Park County Libraries and "Follow or Like" our page - lots of info there!) or come up to the Library and ask! We always enjoy a visit and sharing what's going on! ALL of our programs are Free and Open to the Public! If you have questions, you can always call us at 868-2248.

Meeteetse Library will be CLOSED on Monday, Jan 15 in honor of MLK Day.

Catch The Wonders of the Big Horn Basin at the Meeteetse Library Saturday, Jan. 20, at 1:00. Local historian and storyteller Clay Gibbons will be here to talk about the discovery of Woolly Mammoths near Worland, excavations by Archeologist George Frison and how Buffalo Bill Cody influenced development in the area. As always with Clay, this is sure to be a wide-ranging and interesting presentation. It's free and open to the public.

Did you get a new digital device for Christmas and need some help getting it going? Did you know you can read and/or listen to free library books on any of your digital devices? If you need help with any of these techy type problems, we're happy to help! While not totally tech savvy we can generally navigate through the day-to-day problems and issues. Bring your device (and all of your passwords & login information!) up to the library - Tuesdays & Fridays all day or Thursday mornings are generally good times for some one-on-one help.

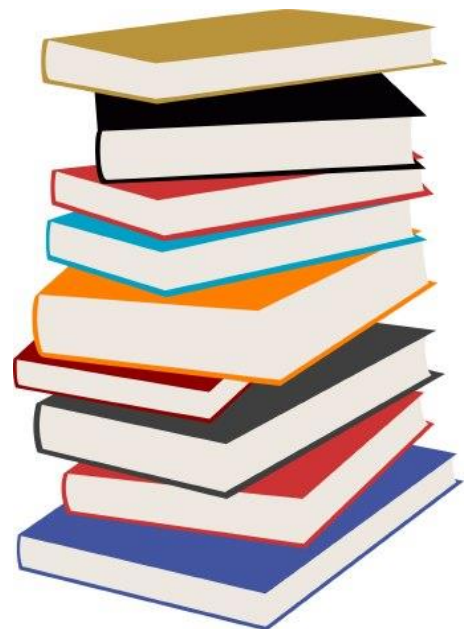

It's a New Year and soon it will be a New Gardening Season! As you're doing your garden dreaming and planning don't forget that we have a Seed Library at the Library! We have a large selection of seeds (flowers and vegetables) available for free! Come and check out the selection - and while you're here you can check out our great gardening books for more inspiration and ideas while you're still in the dreaming stages!

The Park County Libraries are rolling out a new program called "Books Beyond Boundaries". The goal is to find ways to get books to homebound patrons. If any Meeteetse patrons need help getting library materials, please give us a call at 868-2248. We will find a way to get items to you! We can arrange to have a friend or family member pick up and deliver for you, arrange for after-hours pickup, send them in the mail or deliver them ourselves!

Meeteetse Rec Lil Kids visit on Wednesdays, 10:30-11:30 (new day & time), Family Storytime is on Fridays at 10:00 am - this is open to all.

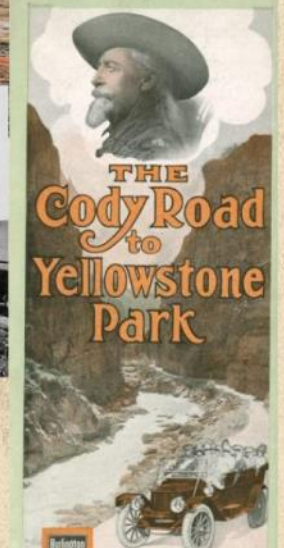

The Meeteetse Library has a (nearly) complete collection of Meeteetse High School yearbooks. These are available for "in-house" browsing. We are missing a few years. If you have any of these laying around looking for a new home - we'd love to complete our collection. We're missing: 2004, 2001, 1991, 1974, 1962, 1961, 1953, 1952, 1951, Thanks!

Do you wish there was a Business Center in Meeteetse? Come to the Library! You can run copies, print from a computer or phone, access your email/websites, scan or email papers, even send a fax! And most of it is free! Copies are \$.10/page for black & white, \$1.00/page

WONDERS OF THE BIG HORN BASIN

WITH LOCAL HISTORIAN
CLAY GIBBONS

From arid desert to sagebrush steppes to mountain valleys, the Big Horn Basin is 14,000 acres of historical and geological wonders. Historian and Storyteller **Clay Gibbons** will walk us through the discovery of woolly mammoths, explorations by Wyoming archaeologist George Frison and Buffalo Bill Cody's contributions to settlement in the Big Horn Basin.
