**Each week throughout the remaining school year, we will be highlighting a staff member to our community.**

This week, we spotlight Ashton Shepperson. Ashton is a Meeteetse School graduate from 2014. During her years in Meeteetse School, Ashton loved her art classes and excelled in her own creations. Coming from a ranching family, she also loves animals. Following the advice from her mother, she majored in Animal Science at the University of Wyoming, while also maintaining her passion for art.

Following graduation from UW, Ashton worked for six years in our local veterinary clinic. She made so many great connections with the people of our community and their fur babies.

When we were looking for a new art teacher, Ashton was one of the first names to pop into our minds. We know that it was a difficult decision for her to consider, leaving one passion to pursue another. She felt a desire to give back to the school and community, after having received so much. She says that she loves teaching, and it was definitely the right move.

She is inspired by watching the students create. She loves seeing the students with a creative outlet and the opportunity to be hands-on in their learning. We apologize to those who are still missing her at the clinic, AND we are so excited about the impact she is having on the youth of our community.

Great job, Ashton Shepperson.

## Happenings At the Senior Center

The Meeteetse Senior Citizens is taking on a new look. If you haven't heard, our organization is no longer affiliated with the Cody Senior Center, and we are now out on our own. We are pleased to announce that we are now receiving grant moneys through the Wyoming Council on Aging a division of the Wyoming Department of Health. Because of this grant, the Meeteetse Seniors can now offer new programs and new looks to the old.

One program we are extremely proud to offer is our partnership with the Meeteetse Recreation District. If you are a member of the Recreation District and of the Meeteetse Senior Citizens, the Senior Center will pay \$100 towards your yearly membership to the Recreation District.

**Get signed up!**

**So, keep in touch. We will announce the new programs as they develop.**

### **Can't make it to the Senior Center for lunch.**

Become a member and have your lunch delivered. Home Deliveries are now available. And as with In-House meals, we suggest a \$4.50 donation.

# MEETEETSE LIBRARY

## COFFEE TALK & OTHER PROGRAMS

The Library has fun events planned for every month! Stay tuned here for our events, check for flyers at the Post Office, watch for our Facebook posts (find Meeteetse, Park County Libraries and "Follow or Like" our page - lots of info there!) or come up to the Library and ask! We always enjoy a visit and sharing what's going on! ALL of our programs are Free and Open to the Public! If you have questions, you can always call us at 868-2248.

Catch The Wonders of the Big Horn Basin at the Meeteetse Library Saturday, Jan. 20, at 1:00. Local historian and storyteller Clay Gibbons will be here to talk about the discovery of Woolly Mammoths near Worland, excavations by Archeologist George Frison and how Buffalo Bill Cody influenced development in the area. As always with Clay, this is sure to be a wide-ranging and interesting presentation. It's free and open to the public.

It's time for Winter Reading Fun! Read/Listen to a Library Book, return it to the library, fill out an entry slip, and you'll be entered to win a prize! The Winter Reading Program runs through February so you've got plenty of time to get some reading done and entries in. There's even an option for online entries. Stop in to learn more.

Mr. Faust brought in some of the work that his Trades classes have been doing for us to display. This is really fun to see! Stop by to see what the kids are learning and doing.

Did you get a new digital device for Christmas and need some help getting it going? Did you know you can read and/or listen to free library books on any of your digital devices? If you need help with any of these techy type problems, we're happy to help! While not totally tech savvy we can generally navigate through the day-to-day problems and issues. Bring your device (and all of your passwords & login information!) up to the library - Tuesdays & Fridays all day or Thursday mornings are generally good times for some one-on-one help.

It's a New Year and soon it will be a New Gardening Season! As you're doing your garden dreaming and planning don't forget that we have a Seed Library at the Library! We have a large selection of seeds (flowers and vegetables) available for free! Come and check out the selection - and while you're here you can check out our great gardening books for more inspiration and ideas while you're still in the dreaming stages!

The Park County Libraries are rolling out a new program called "Books Beyond Boundaries". The goal is to find ways to get books to homebound patrons. If any Meeteetse patrons need help getting library materials, please give us a call at 868-2248. We will find a way to get items to you! We can arrange to have a friend or family member pick up and deliver for you, arrange for after-hours pickup, send them in the mail or deliver them ourselves!

Meeteetse Rec Lil Kids visit on Wednesdays, 10:30-11:30 (new day & time), Family Storytime is on Fridays at 10:00 am - this is open to all.

The Meeteetse Library has a (nearly) complete collection of Meeteetse High School yearbooks. These are available for "in-house" browsing. We are missing a few years. If you have any of these laying around looking for a new home - we'd love to complete our collection. We're missing: 2004, 2001, 1991, 1974, 1962, 1961, 1953, 1952, 1951, Thanks!

Do you wish there was a Business Center in Meeteetse? Come to the Library! You can run copies, print from a computer or phone, access your email/websites, scan or email papers, even send a fax! And most of it is free! Copies are \$.10/page for black & white, \$1.00/page for color - you can't buy a printer and keep ink in it for that price!
