## Student Spotlight

Here is a list of numbers we are going to talk about. **31**, **13**, **8**, **3**, **1** and **0**. **31** years since the Meeteetse High School boys have made it to the state tournament. These **13** young men have made great strides this season and with much determination and perseverance they were able to accomplish many of their goals they set this season. **8-0** represents their conference record this season and what a great accomplishment that was. Picking up conference wins especially on the road is not easy for any team to do especially in our conference but these boys made it happen. **3-0**. In most cases **8** is greater than **3**, but when **3** represents wins over the downstream rival Burlington, this number becomes greater. I'm not entirely sure when this last happened, but I know it has been a while and again an amazing feat. The third matchup came at regionals and was by far the most important as the loser went home and the winner advanced to state. It was a tough back and forth battle and when plays needed to be made, this team made them and were able to secure their spot for the 2024 State Tournament. This **1** team has had quite the journey so far but it is not over as they have opened a new door on their path and they are ready to make more memories, more history and add some great finishing touches to their overall product that they have created this season. It is a great day to be a Longhorn!!!!

# MEETEETSE LIBRARY

## COFFEE TALK & OTHER PROGRAMS

The Library has fun events planned for every month! Stay tuned here for our events, check for flyers at the Post Office, watch for our Facebook posts (find Meeteetse, Park County Libraries and "Follow or Like" our page - lots of info there!) or come up to the Library and ask! We always enjoy a visit and sharing what's going on! ALL of our programs are Free and Open to the Public! If you have questions, you can always call us at 868-2248.

It's a New Year and soon it will be a New Gardening Season! As you're doing your garden dreaming and planning don't forget that we have a Seed Library at the Library! We have a large selection of seeds (flowers and vegetables) available for free! Come and check out the selection - and while you're here you can check out our great gardening books for more inspiration and ideas while you're still in the dreaming stages!

Saturday March 9 is Park County Libraries' Spring Forward Expo! All 3 libraries will have garden themed speakers or programs planned, some Take Home Craft Projects available, and a seed swap or seed library available for you to gather some garden seed. In Meeteetse, Kendra Morris from Pollen Landscape in Cody will be here at 10:00 am for Seed Starting 101. Be sure to join us for an "official" start to the Spring Garden Dreaming time!

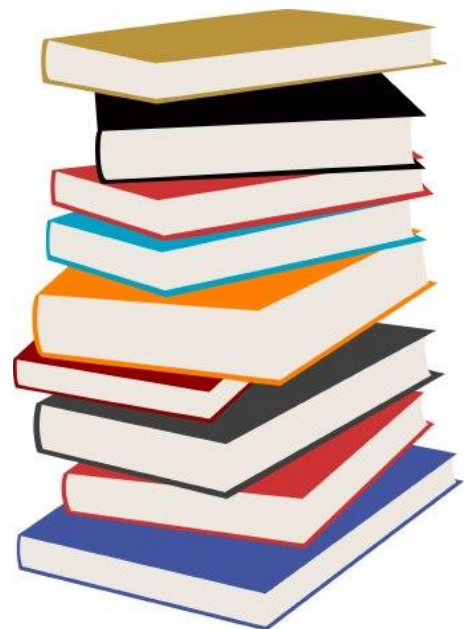

It's Tax Time! The library has 1040 and 1040 SR forms and instruction booklets available. If you need other forms, we can find and print them for you. We also have a comprehensive tax preparation book available for check out. If you need, or want, help with tax preparation, the Cody Library has partnered with VITA (Volunteer Income Tax Assistance) to offer FREE tax assistance to individuals, families, and persons with disabilities. If your income is \$68,000 or less, you're eligible for this invaluable service! Appointments are available from January 30 through April 10. Call the Cody Library at 307-527-1880 to schedule an appointment.

Mr. Faust brought in some of the work that his Trades classes have been doing for us to display. This is really fun to see! Stop by to see what the kids are learning and doing.

Don't forget we now have a variety of Board Games available at the library. These do NOT have to be checked out, you don't need a library card. Take a game, play it, bring it back, take a different one.

The Meeteetse Library has a (nearly) complete collection of Meeteetse High School yearbooks. These are available for "in-house" browsing. We are missing a few years. If you have any of these laying around looking for a new home - we'd love to complete our collection. We're missing: 2004, 2001, 1991, 1974, 1962, 1961, 1953, 1952, 1951, Thanks!

Do you wish there was a Business Center in Meeteetse? Come to the Library! You can run copies, print from a computer or phone, access your email/websites, scan or email papers, even send a fax! And most of it is free! Copies are \$.10/page for black & white, \$1.00/page for color - you can't buy a printer and keep ink in it for that price!
