LABOR DAY CELEBRATION

September 3-5, 2022

As we begin to plan our 110th Celebration of Labor Day in Meeteetse, we are starting our search for Sponsors. Without our community's help, historical community events like these would not be possible.

Labor Day in Meeteetse has been a long-standing tradition here in Park County built on rich history and an unwavering desire to bring our community together. Starting in 1912 as a way to invite local farmers and ranchers in for a hearty meal of a pit-roasted steer, Labor Day has grown into a 3-Day Celebration that inspires community and a sense of belonging among many Park County residents and our summer-time visitors.

Discover Meeteetse asks for your support in making this day possible.
